BASED IN Modena, Italy

PROFILE

Designer and muralist based in Modena, Italy, active in writing and street art. I run my own practice, creating murals, live painting, graphic design and brand identity projects.

Alongside my artistic work I run workshops with children and teenagers, designed to introduce them to graffiti as a creative, shared experience.

SKILLS

Murals and graffiti – sketching, surface preparation, spray and acrylic on large formats

Teaching – designing and leading creative workshops for children and teenagers

Design – logos, brand identity, graphics for shops

Web – website design and development

EDUCATION

International School of Comics, Reggio Emilia
(2018–2021) – one year of illustration, followed by two years of comics

Self-taught practice – study from books and technical material, constant practice in the street, jams and painting sessions with other writers, in Italy and in London

GIURO CHE SMETTO

WEBSITE · PROPOSAL

PERSONAL PROJECT

Giuro che smetto,
tattoo & piercing

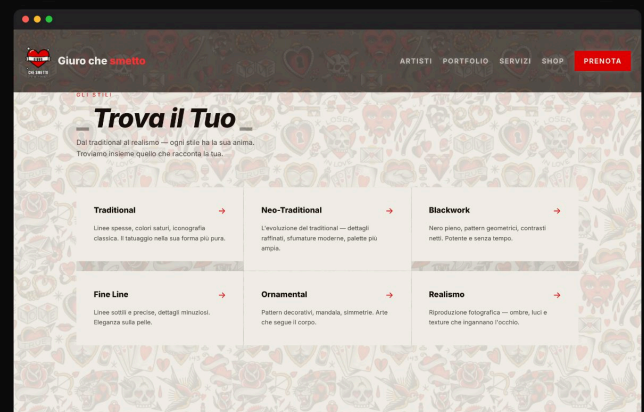

A website I designed and built on my own initiative as a proposal for a tattoo and piercing studio. In the portfolio the studio has an invented name and logo. The design draws on traditional tattooing, with traditional-style patterns, a black and red palette and bold type; sections cover artists, portfolio, services, merch and bookings.

The philosophy

Find your style

LET'S WORK TOGETHER

CONTACT

Murals, visual identities and websites are different tools that all help a business be recognised at first glance.

WHAT I DO

MURALS AND OBJECTS

Walls, shop shutters and interiors; trophies, tables and one-off pieces painted to order.

BRAND IDENTITY

Logo, palette, signage, window graphics and coordinated print.

WEBSITES

Made to measure, from design to code, built for phones.

WORKSHOPS AND LIVE PAINTING

Graffiti workshops for schools and associations, live painting at events.

HOW I WORK

It starts with a site visit or a phone call, and a free quote with costs and timing in writing before any work begins.

Each project is scaled to the space and the budget available, from a single piece to a complete identity.

Tell me what you have in mind, even in a few lines, and I'll take care of the rest.

LET'S TALK.
